

## Win an iPod !

We want to hear what you think of the online casinos that are currently available. In fact, we will give you a chance to win a brand new iPod Nano just for writing a short review. One lucky winner will win an iPod Nano every month!

To qualify, all you need to do is write a review about one or more online casinos. A review will be deemed worthy, if the content conveys sufficient content. We aren't looking for long essays, but just a couple of points of what you like or don't like about the online casino. Simply saying, 'This casino rocks' or 'This casino sucks' won't get you an entry.
